

EduPi Learning

Grade 8- 9 : Curriculum

EduPiLearning is an initiative of a professional engineers cum developer team dedicated to add a positive transformation in the quality of education in India.

English

Module	Key Theme	What will the student learn
M1 (10 Classes)	Language Conventions	Identify and use infinitives and participles and make clear references between pronouns and antecedents. Identify all parts of speech and types and structure of sentences. Demonstrate the mechanics of writing (e.g., quotation marks, commas at the end of dependent clauses) and appropriate English usage (e.g., pronoun reference) .
M2 (12 Classes)	Fluency and Systemic Vocabulary	Identify idioms, analogies, metaphors, and similes in prose and poetry. Use knowledge of Greek, Latin, and Anglo-Saxon roots and affixes to understand content-area vocabulary. Clarify word meanings through the use of definition, example, restatement, or contrast.
M3 (14 Classes)	Narrative Analysis	Identify events that advance the plot and determine how each event explains past or present action(s) or foreshadows future action(s). Analyze characterization as delineated through a character's thoughts, words, speech patterns, and actions; the narrator's description; and the thoughts, words, and actions of other characters.
M4 (10 Classes)	Writing Process	Students write clear, coherent, and focused essays. The writing exhibits students' awareness of the audience and purpose. Essays contain formal introductions, supporting evidence, and conclusions. Students progress through the stages of the writing process as needed.
